

Credit Name:CSE 3120 Object-Oriented Programming 1

Assignment Name:mysaving

1

I didnt because i just did it simple with loops

2

It didnt

3

There wasnt one, i jusst took my time and used simple methods

4

Nothing to screenshot

5

I guess i couldve went faster

6

Nothing to screenshot

Credit Name:CSE 3120 Object-Oriented Programming 1

Assignment Name:classStone

1

I had a tiny bit of struggle with how i wanted to start the stonepiles part

2

It didnt work

3

Not planning properly

4

I dont have one, and i dont want to force an error/ fake one just for this

5

I made a drawing on paper of how i wanted it to work

6

You will see my code, i didnt fix the code i made a drawing so there is no picture
